**Retransmission Consent Election**

Ladies and Gentlemen:

Pursuant to Section 76.64 of the FCC rules, this is to notify you that **KCBS, Los Angeles** ("Station"), assigned to the Los Angeles DMA, elects the retransmission consent option with respect to carriage of Station's signal on your cable system whose head-end is located in **Sierra Dawn Estates, CA** for the 2012-2014 election period.

This will not affect the continued carriage of Station's signals by your system as to any part of the relevant period for which an existing retransmission agreement is already in effect. If there is no such existing agreement beyond December 31, 2011, then it will be necessary for your system to obtain our express approval in order to retransmit **KCBS's** signal after 12:01 AM on January 1, 2012 (or after the expiration date of any existing agreement).

Please be assured that we look forward to continuing our relationship on mutually satisfactory terms and providing great programming for our shared viewers to enjoy.

Sincerely,

Steve Mauldin
